BBCC Devotional Guide for June 9-15, 2019

This week as you read these verses, ask God to teach you about worship and show you how to put these verses into practice in your life.

Sunday: What is Christianity? It is essentially a love affair between God and His people. Read Ephesians 1:3-6. Thank God today for His great love for you and ask Him to enable you to love Him more deeply.

Monday: What is worship? Worship is expressing our love to God. Read Deuteronomy 6:4-5. Worship is giving God our affection, our attention and our abilities. Why does God want us to worship Him?

Tuesday: One of the ways that we express our love to God is through obedience. Read John 14:15. Is there any area of your life where you need to change your attitude or behavior and obey God's commands?

Wednesday: Another way that we express our love to God is through constant conversation. Read Psalm 116:1-2. How would you describe your prayer life? How could it be improved?

Thursday: We can express our love to God through weekly worship with our church family. Read Hebrews 10:24-25. Is weekly worship with your church family a matter of commitment or convenience?

Friday: We express our love to God by using our abilities for Him. Read Colossians 3:23-24. How are you currently using your abilities for God and His purposes in the world?

Saturday: We express our love to God by giving generously. Read 2 Corinthians 8:7-9. It has been said that God's grace and our giving are like lightning and thunder: our giving (the thunder) is in response to God's grace (the lightning). Are you expressing your gratitude to God through consistent generous giving?
