NOTES (PERSONAL)

John, in the Spirit, is taken to Heaven where he beholds an incredible vision. Like previous prophets, John is invited to participate in this Vision.

Read Deuteronomy 32:35 and Isaiah 35:4. What is the day of the Vengeance?

Read Malachi 4:1-2. Even amidst the promise of coming judgment (vengeance) what else is promised? Do you see a comparison between this and the Remnant of Revelation 6:9-11?

Read 2 Thessalonians 1:5-12. While vengeance belongs to the Lord, our message must be balanced. Judgment is coming because it is God's vengeance upon sin. ***Jesus is the only way to be saved from this!*** Does your life reflect this?

GOING DEEPER QUESTIONS (SMALL GROUP)

- What stood out to you about this message and why?
- We understand the Spirit makes intercession on our behalf, but how can we be praying more in God's Will? What does praying in God's Will mean? ***How is your prayer life?***
- How can people see these trumpet judgments and attribute them to natural causes? How does this affect our witness today when God answers prayer or does the miraculous such as healing- are we quiet out of fear someone may explain it away?
- Knowing the worse had yet to come, how do we find ourselves feeling when we see others doing life without God or believers going down a bad path? Do we weep over and labor share Truth with them?
